

How can parents help?

1. Check that your son/daughter is making full use of all the resources and support available.

We have worked hard to provide resources that will help with revision. Please check that your son/daughter is using these resources.

- Are they using the revision materials that are on the Learning Portal?
- Have they printed out the practice exam questions for each exam paper?
- Are they following a realistic revision timetable?
- Are they making full use of lesson time and completing Go4Schools homework tasks?

2. Check that your son/daughter is using effective revision strategies.

It is crucial that pupils follow the advice they have been given about how to revise. Simply reading through notes is not enough. The key tips for successful revision in Music are:

- Summarising – Encourage your son/daughter to summarise key topics using flashcards, a Mind Map, diagram or revision poster. They could teach you about a key topic from the revision checklist or you could test them on their ability to recall key information on their flashcards.
- Regular self-testing – Testing tells you what you know and what you don't know and therefore where to focus further study. Recalling what you have learned causes your brain to reconsolidate the memory, which strengthens its connections to what you already know and makes it easier to recall in the future.

3. Please encourage your son/daughter to:

- Regularly use the knowledge tests, past papers and practice questions in the GCSE REVISION FOLDER to check their understanding of the key topics.
- Focus their revision on 'weaker' areas (these should be identified through regular self-testing).
- Ask for support from their teacher when they need it.

Advice for Effective Revision

GCSE Music

What can you do to improve?

What do I need to revise?

SECTION A: Listening Questions

There will be six questions based on six out of the eight set works in this section. Additionally, there will be one unfamiliar listening question and one melodic/rhythmic dictation question.

SECTION B: Essay Question

The single question in this section will require you to compare a passage from a set work with a piece of unfamiliar music.

How it's assessed

- One listening and appraising exam lasting 1 hour and 45 minutes.
- 40% of the GCSE

General Advice

- **Make sure you know your elements** and which words are associated with them.
- **Listen to the set works** as much as possible. Create a playlist. Don't always listen to them from the start, hear short extracts and write down as much as you can about the musical elements.
- **Try and do some wider listening (in as many styles as possible!)** and compare musical elements with set works to practice for essay. Listen to classical music (Aos1), Vocal music (Aos2), Music for Stage and Screen (Aos3) and Fusions (AoS4).
- **Download an aural training app to your phone and practise.**

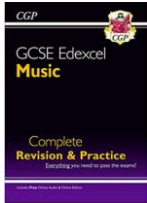

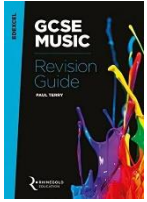

Use the Learning Portal to access the GCSE REVISION FOLDER.

Go to the 'Learning Portal', 'Music', 'Key Stage Four', 'Year 11 2022-23' and use the 'GCSE Revision' FOLDER. **Here you will find a range of revision resources.**
