GCSE Business

What can you do to improve?

Resource	Study Skill	What to do
Checklists		Use the traffic light sheets to identify your strong and weak areas. Spend at least one hour per week revising weak areas.
Flashcards and knowledge booklets	 	Use the resources that are in the GCSE REVISION FOLDER to help you revise. It would be a good idea to use knowledge tests / notes from lessons / information from GCSE REVISION FOLDER and knowledge booklets to create flashcards / mind-maps.
Past Papers		Look back through your book and write out the exam questions you have answered, use the feedback given to improve on these. Look at the sample papers in the GCSE REVISION FOLDER.

Afterschool revision sessions	Exam Technique	Attend after-school sessions: Wednesday, M10, 15:15-16:00

How can parents help?

1. Check that your son/daughter is making full use of all the resources and support available.

We have worked hard to provide resources that will help with revision.

Please check that your son/daughter is using these resources.

- Are they using the revision materials that are on the Learning Portal?
- Have they printed out the revision checklists and practice exam questions for each exam paper?
- Are they following a realistic revision timetable?
- Are they attending after school support sessions and making full use of lesson time?

2. Check that your son/daughter is using effective revision strategies.

It is crucial that pupils follow the advice they have been given about how to revise. Simply reading through notes is not enough. The key tips for successful revision in Business are:

- Summarising – Encourage your son/daughter to summarise key topics using flashcards, a Mind Map, diagram or revision poster. They could teach you about a key topic from the revision checklist or you could test them on their ability to recall key information on their flashcards.
- Regular self-testing – Testing tells you what you know and what you don't know and therefore where to focus further study. Recalling what you have learned causes your brain to reconsolidate the memory, which strengthens its connections to what you already know and makes it easier to recall in the future.

Please encourage your son/daughter to:

- Regularly use the knowledge tests, past papers and practice questions in the GCSE REVISION FOLDER to check their understanding of the key topics.
- Focus their revision on 'weaker' areas (these should be identified through regular self-testing).
- Ask for support from their teacher when they need it.
