Why Invest In Sponsorship In Our Arts Centre?

Northgate High School is delighted to be creating a vibrant new dining and performance space for students, staff, and visitors, and would like to invite businesses and organisations to become part of this exciting next phase.

To fully realise the potential of this new space, we are seeking sponsorship and/or donations to support the purchase of new dining tables and IT equipment for the new hall. These additions will enhance the experience for students during the school day, while also supporting performances, events, and frequent community use by many clubs and organisations in the evenings and weekends.

There are a number of ways businesses and organisations can get involved, with opportunities and pricing structures outlined on the following pages. Whether through donating towards the project, sponsoring individual items, or supporting a larger package, your contribution will directly support facilities that will be used daily by students and regularly by the wider community.

Depending on the level of sponsorship, we would be pleased to offer one or more of the following benefits:

- Logo placement on sponsored dining tables
- Inclusion on a recognition plaque within the new hall
- One day of complimentary facility hire for team-building or corporate events
- Acknowledgement on our social media platforms

By supporting this initiative, sponsors will be investing directly in facilities that will benefit students every day, while also supporting the wider community.

Sixth Form Centre

NORTHGATE SIXTH FORM CENTRE IPSWICH

Northgate Sixth Form is excited to be developing a new, larger Common Room to support our ever-growing Sixth Form community. As our student numbers continue to increase, we want to create a welcoming, modern and inspiring space where students can relax, socialise, study and build connections with one another.

We have already been fortunate to receive generous donations of booths and furniture from a number of local businesses, and we are incredibly grateful for the support we have received so far. These contributions have helped us begin to transform the space and demonstrate the positive impact that local businesses can have on our students and their school environment.

We are now seeking further sponsorship and/or donations to help us fully realise the potential of this exciting new space. Your support could help us furnish the space with additional seating and tables.

Depending on the level of sponsorship and/or donations, we would be pleased to offer one or more of the following benefits:

- Inclusion on a recognition plaque within the Common Room
- One day of complimentary facility hire for team-building or corporate events in either our Sports Centre or Arts Centre
- Acknowledgement on our social media platforms

There are a number of ways local businesses can support this project, through donations of furniture or equipment. Every donation, large or small, will make a meaningful difference.

Support Our PTA

Businesses can also choose to make a donation directly to the Northgate PTA, which will help fund the purchase of new furniture and equipment for the Common Room. By supporting this project, you will be helping us to create a space that will be enjoyed by hundreds of Northgate Sixth Form students for years to come, while making a valuable investment in the school and our local community.

IT Donation

NORTHGATE SIXTH FORM CENTRE IPSWICH

Northgate High School is seeking donations of laptops, PCs, tablets, servers and projectors to support our school's technological initiatives.

- PCs
- Laptops
- Projectors
- Tablets
- Servers

Northgate High School is seeking devices that remain operational, may be reused by students or traded in to generate funds for school programmes. Any equipment deemed no longer fit for purpose will be responsibly and securely disposed of, with environmentally sustainable recycling practices in place. Your generous contributions will help to enrich learning opportunities while fostering sustainability within our community.

Why Invest in Sponsorship at Our Sports Centre?

Northgate High School offers businesses and organisations a unique opportunity to align their brand with the well-used sporting facilities at Northgate Sports Centre. Located within a thriving school environment and home to one of only two running tracks in the county, the Sports Centre benefits from a daily on-site population of nearly 2,000 students and staff during term time, alongside regular visitors attending fixtures and county-wide athletics events.

Beyond the school day, the Sports Centre continues to operate as a busy community hub, with evening and weekend use by clubs, organisations, and individuals. The site includes all-weather courts, tennis courts, sports halls, and athletics facilities, ensuring consistent footfall and year-round visibility for sponsors.

Sponsoring Northgate Sports Centre provides businesses with the opportunity to:

- Reach a large and diverse audience
- Build strong local brand recognition
- Demonstrate support for youth sport and community wellbeing
- Benefit from year-round exposure across multiple activities and events

A wide range of sponsorship opportunities and pricing structures are available and can be found in the pages that follow. Each option offers valuable brand exposure in a highly visible and well-used environment.
