Charging & Remissions Policy

1. Introduction

- 1.1** Northgate is a state funded high school and as such does not charge for education provided during school hours. However, this funding does not cover all activities and services provided by the school so information is shown below about what the school will charge for.
- The school may also ask parents/carers for contributions towards the costs of education¹ including trips, visits and activities.
 - Where the contributions do not cover the costs, and there is no way to make up the shortfall, it may not be possible for the activity or trip to go ahead as planned.
- 1.2** There are circumstances where parents/carers will not be expected to pay a charge or can get help towards costs. Details about this are shown overleaf.

2. Charges will be made for

- Any materials, books, instruments, or equipment, where the child's parent wishes him/her to own them
- Education provided outside of school time and extended day services (e.g., breakfast clubs, after-school clubs, tea and supervised homework sessions)
- Examination fees²
 - If the student has not been prepared for the examination(s) at Northgate
 - If the student fails without good reason to complete examination requirements for any public examination for which the school has paid (or is liable to pay) then school may recover the fee from the parent/carer
 - Incurred for late entry or for amendments requested by individual candidates, retake fees and the fee for an enquiry about a result
- Transport
- Board and lodging on a residential visit
- Music tuition provided either individually, or in groups of any size, provided that the tuition is provided at the request of the student's parent/carer³
- Damage to, or loss of, school property
- Administrative costs
 - Incurred collecting charges/debts etc.
 - Of providing services to former students and members of the public for which the school is not specifically funded (e.g. writing UCAS references and marking course work)
 - Pre-employment checks for staff that do not take up the post or leave within three months
 - Photocopying and postage charges incurred in providing information requested under the Freedom of Information and Data Protection Act
- Lettings and the hire of equipment
- Tickets for school events
- School meals if taken (but please see the table overleaf)

¹ Including some Sixth Form resources

² Full written details are given to candidates at the start of their examination course

³ No charge is made in respect of a student who is looked after by a local authority, during normal lesson time only

3. Charges will NOT be made for

- Education provided during school hours
- Education provided outside of school hours if it is part of the national curriculum, a syllabus for a public examination that the student is being prepared for at Northgate, or part of religious education
- Transport that is required to take the student to school or to other premises where the local authority/governing body have arranged for the student to be provided with education

4. Refunds

4.1 Retention of Contributions for Educational Visits

If a student is withdrawn from an educational visit for any reason (including being removed due to poor behaviour), then Northgate will retain an amount of the contribution equal to the amount at the date of withdrawal which we are liable to pay to any third parties in relation to the student's participation. Where the current contribution does not sufficiently meet the sum that we are liable to pay to any third parties, parents/carers may be requested to cover the shortfall.

If time and circumstance allow, a replacement student will be sought. Once a replacement has been confirmed all monies will be refunded (with a reduction for administration fees) to the family of the student who has withdrawn. If this is not possible, after the visit has taken place, the school will review the budget for the visit and if there are sufficient funds then a full or partial amount of the retained will be refunded.

- 4.2** After a visit has taken place, the school will review the budget for the visit and if the contributions exceed the cost, refunds will be processed to parents/carers minus a processing fee.
