

Time to plan!

Do you know what you are going to do after Year 11?

After this strange year it may be difficult to see a way ahead – but remember that there is still *support available for you!*

At Northgate High School

we are still here for you.

If you do not get the results you wanted or need you can get help from:

Mrs Calder

vcaldern@northgate.suffolk.sch.uk

It is a requirement that *all young people stay in some form of education or training until they are least 18*. This will help you develop the skills and qualifications you need for your future. For more information on this go to <https://www.thesource.me.uk/learning/faqs-raising-the-participation-age/>

In September...

If you do not have a place for September you can get *support from our careers adviser Mrs Calder*

or

from Suffolk County Council's Youth Support Service.

Keeping in touch

The Council has a *legal duty* to follow up all young people in Suffolk to find out what they are doing after leaving school so you might get a call, text, email or letter from our team.

If you still need support, this will be another opportunity for you to ask for help.

Need some help?

Have you just left Year 11 and still not sure what to do in September?

- Want a chat about what you're going to do next - and what suits your situation, interests, skills and opportunities?
- Need some information and advice about your options?

The Source is a site for young people in Suffolk that has lots of information for you.

You can also get in touch with *your local Youth Support Services*
